We offer commercial rights to use the voiceovers generated for videos on YouTube or any other platform. You should be able to monetize that as long as your text content is original and has no copyright conflict. According to our understanding and information, you can submit the generated voiceovers to YouTube as long as there is no copyright dispute in your work. However, the policies of YouTube and other third-party platforms regarding the use of AI voices are constantly changing, and we...

What is Murf's Policy on profanity?

Who will have the commercial rights to the content created in Murf Studio?

Can Murf sign a Non-Disclosure Agreement?
